| fabbricante                       | Sharp Microelectronics                                 |
| Descrizione                       | IC REG LDO 1.5V 1A TO263                               |
| Categoria                         | Circuiti integrati (CI) > PMIC-Regolatori di tensione- |
| Stato parte                       | 1603 pcs Stock                                         |
| Tensione - uscita                 | 1.5V                                                   |
| Tensione - Ingresso               | 2.35 V ~ 10 V                                          |
| Tensione - dropout (tipica)       | -                                                      |
| Contenitore dispositivo fornitore | TO-263                                                 |
| Serie                             | -                                                      |
| Topologia del regolatore          | Positive Fixed                                         |
| imballaggio                       | Tape & Reel (TR)                                       |
| Contenitore / involucro           | TO-263-6, D²Pak (5 Leads + Tab), TO-263BA              |
| temperatura di esercizio          | -40°C ~ 85°C                                           |
| Numero dei regolatori             | 1                                                      |
| Tipo montaggio                    | Surface Mount                                          |
| Corrente - Uscita                 | 1A                                                     |
| Corrente - Limite (min)           | -                                                      |
|                                   |                                                        |
