

| specificazioni              |                                                                      |
|-----------------------------|----------------------------------------------------------------------|
| Modello di prodotti         | GRM0225C1E7R1CA03L                                                   |
| fabbricante                 | Murata Electronics                                                   |
| Descrizione                 | CAP CER 7.1PF 25V C0G/NP0 01005                                      |
| Categoria                   | <a href="#">condensatori</a> > <a href="#">Condensatori ceramici</a> |
| Stato parte                 | 2573 pcs Stock                                                       |
| Tensione - nominale         | 25V                                                                  |
| Tolleranza                  | ±0.25pF                                                              |
| Spessore (max)              | 0.009" (0.22mm)                                                      |
| Coefficiente di temperatura | C0G, NP0                                                             |
| Dimensioni / Dimension      | 0.016" L x 0.008" W (0.40mm x 0.20mm)                                |
| Serie                       | GRM                                                                  |
| Giudizi                     | -                                                                    |
| imballaggio                 | Tape & Reel (TR)                                                     |
| Contenitore / involucro     | 01005 (0402 Metric)                                                  |
| temperatura di esercizio    | -55°C ~ 125°C                                                        |
| Tipo montaggio              | Surface Mount, MLCC                                                  |
| Tipo conduttore             | -                                                                    |
| Distanza conduttori         | -                                                                    |
| Altezza - In sede (max)     | -                                                                    |
| Caratteristiche             | -                                                                    |
| Capacità                    | 7.1pF                                                                |
| applicazioni                | General Purpose                                                      |

|                                                                                                                                                                                                 |                                                                                                                                                                                                   |                                                                                                                                                                                                    |                                                                                                                                                                                                     |
