LT4256-2CS8#TRPBF

|                                  |                                         |
|----------------------------------|-----------------------------------------|
| codice articolo del costruttore: | LT4256-2CS8#TRPBF                       |
| Costruttore / Marca:             | N/A                                     |
| Parte della descrizione:         | IC CTRLR HOTSWAP HV AUTO 8SOIC          |
| Stato di RoHs:                   | Senza piombo / RoHS conforme            |
| Condizione di scorta:            | New original, 1096 pcs Stock Available. |
| Nave da:                         | Hong Kong                               |
| Modo di spedizione:              | DHL/Fedex/TNT/UPS/EMS                   |

| specificazioni                    |                                                    |
|-----------------------------------|----------------------------------------------------|
| Modello di prodotti               | LT4256-2CS8#TRPBF                                  |
| fabbricante                       | N/A                                                |
| Descrizione                       | IC CTRLR HOTSWAP HV AUTO 8SOIC                     |
| Categoria                         | Circuiti integrati (CI) > PMIC-hot swap controller |
| Stato parte                       | 1096 pcs Stock                                     |
| Tensione di alimentazione -       | 10.8 V ~ 80 V                                      |
| Digitare                          | Hot Swap Controller                                |
| Contenitore dispositivo fornitore | 8-SOIC                                             |
| Serie                             | -                                                  |
| Caratteristiche programmabili     | Current Limit, Fault Timeout, Slew Rate, UVLO      |
| imballaggio                       | Tape & Reel (TR)                                   |
| Contenitore / involucro           | 8-SOIC (0.154", 3.90mm Width)                      |
| temperatura di esercizio          | 0°C ~ 70°C                                         |
| Numero di canali                  | 1                                                  |
| Tipo montaggio                    | Surface Mount                                      |
| Interruttori interni (s)          | No                                                 |
| Caratteristiche                   | Auto Retry                                         |
| Pins di caratteristica            | FB, PWRGD, TIMER, UV                               |
| Corrente - Alimentazione          | 1.8mA                                              |
| Corrente - uscita (max)           | -                                                  |
| applicazioni                      | General Purpose                                    |
|                                   |                                                    |
