| Modello di prodotti               | MP4462DN-LF-Z                                             |
| fabbricante                       | Monolithic Power Systems Inc.                             |
| Descrizione                       | IC REG BUCK ADJ 3.5A                                      |
| Categoria                         | Circuiti integrati (CI) > PMIC - Regolatori di tensione - |
| Stato parte                       | 5273 pcs Stock                                            |
| Tensione - Uscita (min / fissa)   | 0.8V                                                      |
| Tensione - uscita (max)           | 30V                                                       |
| Tensione - Ingresso (min)         | 3.8V                                                      |
| Tensione - Ingresso (max)         | 36V                                                       |
| Topologia                         | Buck                                                      |
| raddrizzatore sincrono            | No                                                        |
| Contenitore dispositivo fornitore | 8-SOICE                                                   |
| Serie                             | -                                                         |
| imballaggio                       | Tape & Reel (TR)                                          |
| Contenitore / involucro           | 8-SOIC (0.154", 3.90mm Width) Exposed Pad                 |
| Tipo di uscita                    | Adjustable                                                |
| Configurazione di uscita          | Positive                                                  |
| temperatura di esercizio          | -40°C ~ 125°C (TJ)                                        |
| Numero di uscite                  | 1                                                         |
| Tipo montaggio                    | Surface Mount                                             |
| Funzione                          | Step-Down                                                 |
| Frequenza - commutazione          | Up to 4MHz                                                |
| Corrente - Uscita                 | 3.5A                                                      |
|                                   |                                                           |
