| specificazioni                    |                                   |
|-----------------------------------|-----------------------------------|
| Numero di parte                   | SST39VF6401B-70-4C-B1KE           |
| fabbricante                       | Micrel / Microchip Technology     |
| Descrizione                       | IC FLASH 64MBIT 70NS 48TFBGA      |
| Categoria                         | Circuiti integrati (CI) > Memoria |
| Stato parte                       | 1432 pcs Stock                    |
| Tensione di alimentazione -       | 2.7 V ~ 3.6 V                     |
| Contenitore dispositivo fornitore | 48-TFBGA                          |
| Velocità                          | 70ns                              |
| Serie                             | SST39 MPF™                        |
| imballaggio                       | Tray                              |
| Contenitore / involucro           | 48-TFBGA                          |
| temperatura di esercizio          | 0°C ~ 70°C (TA)                   |
| Tipo di memoria                   | Non-Volatile                      |
| Dimensione della memoria          | 64Mb (4M x 16)                    |
| Formato di memoria                | FLASH                             |
| Interfaccia                       | Parallel                          |
|                                   |                                   |
