|-----------------------------------|-----------------------------------|
| Numero di parte                   | AT24C512C-SSHD-T                  |
| fabbricante                       | Micrel / Microchip Technology     |
| Descrizione                       | IC EEPROM 512KBIT 1MHZ 8SOIC      |
| Categoria                         | Circuiti integrati (CI) > Memoria |
| Stato parte                       | 13590 pcs Stock                   |
| Tensione di alimentazione -       | 2.5 V ~ 5.5 V                     |
| Contenitore dispositivo fornitore | 8-SOIC                            |
| Velocità                          | 1MHz                              |
| Serie                             | -                                 |
| imballaggio                       | Tape & Reel (TR)                  |
| Contenitore / involucro           | 8-SOIC (0.154", 3.90mm Width)     |
| temperatura di esercizio          | -40°C ~ 85°C (TA)                 |
| Tipo di memoria                   | Non-Volatile                      |
| Dimensione della memoria          | 512Kb (64K x 8)                   |
| Formato di memoria                | EEPROM                            |
| Interfaccia                       | I²C, 2-Wire Serial                |
|                                   |                                   |
