| fabbricante                       | Semtech                                     |
| Descrizione                       | IC LED DRIVER RGLTR DIM 20MLPQ              |
| Categoria                         | Circuiti integrati (CI) > Driver PMIC - LED |
| Stato parte                       | 49265 pcs Stock                             |
| Alimentazione di tensione (min)   | 3V                                          |
| Alimentazione di tensione (max)   | 5.5V                                        |
| Tensione - uscita                 | 2.5 V ~ 5.25 V                              |
| Digitare                          | DC DC Regulator                             |
| Topologia                         | Switched Capacitor (Charge Pump)            |
| Contenitore dispositivo fornitore | 20-MLPQ-UT (3x3)                            |
| Serie                             | mAhXLife™                                   |
| imballaggio                       | Tape & Reel (TR)                            |
| Contenitore / involucro           | 20-UFQFN Exposed Pad                        |
| temperatura di esercizio          | -40°C ~ 85°C (TA)                           |
| Numero di uscite                  | 1                                           |
| Tipo montaggio                    | Surface Mount                               |
| Interruttori interni (s)          | Yes                                         |
| Frequenza                         | -                                           |
| oscuramento                       | I²C                                         |
| Corrente - Uscita / Canale        | 400mA (Flash)                               |
| applicazioni                      | Camera Flash                                |
